Experience

Urban Big Data Centre, University of Glasgow, Research Associate in Urban Analytics — Glasgow, UK
School of Social & Political Sciences. — May 2024 – present
2 years 6 months

- ESRC-funded research on urban park and green-space use across UK cities with mobile phone app data.
- Development of privacy-preserving mobility data products for 55 major UK cities.

University of Bristol, Research Associate in Quantitative Human Geography — Bristol, UK
Quantitative Spatial Science (QuSS) Research Group, School of Geographical Sciences. — Sept 2023 – May 2024
9 months

- Bristol Hub for Gambling Harms Research project "Experience, Risk, Harm. What social and spatial inequalities exacerbate gambling harms?"
- Spatial distribution of gambling opportunities and their impact on gambling behaviour.

Education

PhD **Beijing Normal University**, GIScience — Beijing, China
- State Key Laboratory of Earth Surface Processes and Resource Ecology, Faculty of Geographical Science. — Sept 2019 – June 2023

MSc **Beijing Normal University**, Natural Resources — Beijing, China
- Faculty of Geographical Science. — Sept 2016 – June 2019

BSc **East China Normal University**, GIScience (minor in Applied Psychology) — Shanghai, China
- School of Geographic Sciences. — Sept 2012 – June 2016

Research Grants

2023–2024: Experience, Risk, Harm. What social and spatial inequalities exacerbate gambling harms? Core team member, Bristol Hub for Gambling Harms Research.

2019–2022: Internal and External Linkage Effects and Risk Prevention Strategies of Crowd Aggregation in Open Public Places. Core team member, National Natural Science Foundation of China.

2020: Spatiotemporal Diffusion Patterns and Influencing Factors of the COVID-19 Epidemic in China. Core team member, Beijing Normal University.

2019–2020: Response Mechanisms of Wheat Production Systems to Climate Change and Their Adaptive Cultivation Approaches. Team member, National Key R&D Program of China.

2016–2017: Crowd Monitoring and Crowd Risk Control in Urban Open Public Places. Team member, National Natural Science Foundation of China.

Honours & Awards

2022: Third Prize, "MAP Cup" Digital & Smart Agriculture Competition, Syngenta Group China (team member).

2020: Outstanding Presentation Paper in Sub-forum, 16th Spatial Behavior and Planning Symposium of China.

2019: First Prize, Graduate Student Paper Competition, 16th China GIScience Theory and Method Academic Conference.

2017–2022: First Prize, Outstanding Graduate Scholarship, Beijing Normal University.

Presentations

2026: Urban Mobility Insights from Mobile Phone Data (90-minute workshop). 8th AGILE PhD School, University of Glasgow, UK.

2026: Building Scalable Nature-Use Indicators for Thriving Cities. 34th GIS Research UK Conference (GISRUK), Birmingham, UK.

2025: Speaker, workshop on The Spatial Dimensions of Gambling: Mapping Places, Platforms and Harms. University of Bristol, UK.

2025: Mobile Phone App Data for Understanding Urban Public Park Usage. 33rd GIS Research UK Conference (GISRUK), Bristol, UK.

Workshop: Mobile Phone App Data for Public Good: Opportunities and Challenges. Digital Footprints Conference, Leeds, UK.

2023: Identifying Tourism Attractiveness Based on Intra-Destination Tourist Behaviour: Evidence from Wi-Fi Data. China Conference on Human Geography, Lanzhou, China.

2020: Contextualizing Human Dynamics: Understanding the Semantics of Movement Trajectories with Wi-Fi Data. 16th Spatial Behavior and Planning Symposium of China (online).

2019: A Spatial-temporal Analysis Approach of Population Segmentation using Wi-Fi Data. AAG Annual Meeting, Washington, DC, USA.

2019: A Spatiotemporal Approach for Population Segmentation in Open Public Places using Wi-Fi Probe Data. 16th China GIScience Theory and Method Academic Conference, Shanghai, China.

2018: A Modified Inverse Distance Weighting Method for Interpolation in Open Public Places Based on Wi-Fi Probe Data. China Conference on Geography, Xi'an, China.

Service & Teaching

Reviewer: Travel Behaviour & Society.

Panellist: How to Navigate the Life of a PhD Student? Early-career panel, 8th AGILE PhD School, University of Glasgow (2026).

Teaching: Teaching Assistant, Academic Writing and Presentation Skills (undergraduate), Beijing Normal University (2018).

Skills

Programming

GIS & visualisation
